واحة العين AL AIN OASIS

Oasiscape

Oasiscape, is the complete visit route that helps us to understand the meaning and secret lessons of the oasis. In this tour of Al Ain Oasis, you will see that an oasis is not just a Palm grove, but also a whole desert environment. It incorporates architecture, shared knowledge, social behavior and traditional practices that are fundamental to its life. When the Abu Dhabi Tourism & Culture Authority decided to open up the oasis to visitors, instead of taking the city into the oasis – with its urban and modern life – it opted to do exactly the opposite! This low environmental impact project enables you to learn, observe and interact while respecting the cultural integrity of this UNESCO World Heritage Site.
